ORDER No. E. 5925-27—EDN. 212-23-2, DATED 26TH APRIL 1926.

The Inspector-General of Education reports that the programme of development of High Schools in the State laid down in the Government Order of 8th March 1923, read above, has been completed with the exception of a High School for girls at Tumkur, the necessity for which is not yet well established. He further states that, in view of the large increase in the number of Middle Schools in the State, and of the representations in the matter made from time to time, both in the Representative Assembly and in the District and Taluk Conferences, it is necessary to open High Schools by Government in new centres as private effort in this direction is not forthcoming. He has accordingly submitted for approval a programme for opening High Schools in the marginally noted places in the order of urgency, to be given effect to as funds became available and with reference to the co-operation that may be forthcoming from the people, and requests also that provision for opening one additional High School, may, if possible, be included in the Departmental budget for next year.

Bangalore	District—Another High School in	Bangalore	City.
Tumkur	do —A High School at	Maddagiri.	
Hassan	do — Do	Hole-Narsipur.	
Bangalore	do — Do	Dodballapur.	
Shimoga	do — Do	Sagar.	

2. Government are of opinion that the programme submitted by the Inspector-General of Education is well-considered and are therefore pleased to generally approve of the same, with the observation that the order of urgency will be examined with reference to existing conditions, the extent of co-operation from the local bodies and the people of the localities, etc., when specific proposals are received for the opening of the High Schools.

3. The question of providing funds for opening an additional High School next year will be considered in connection with the budget for 1926-27.
